

## Samford Support Network

### How can we help you?

We are unpaid volunteers living in your local community and here to assist you.

We help local people who are

- struggling and frail elderly,
- struggling and have a disability,
- struggling and incapacitated due to illness, trauma or accident, or
- just struggling.

What we can help with:

- **Transport:** Medical, social and other appointments, mainly performed through **communify** together we can  who are our not-for-profit partners.
- **Social Networking:** Connecting people through shared outings in the community.
- **Emergency home-based support:** With gardening, handyman jobs and some in-home help.
- **Keeping People in their Home:** Help with an alert pendant.
- **Financial hardship support:** Help in cases of severe financial hardship.
- **Client Support:** Counselling, Client Visitation and Client emotional well-being.
